

# **The Parish Of Wembury Neighbourhood Plan**

**#POWNPLAN**

## **Community Events 2019 The Results**

Your opportunity to shape the future of  
development and land use in **your**  
community

# Foreword

In 2015 the Parish of Wembury voted to commence work on a neighbourhood development plan, often referred to simply as a neighbourhood plan. Judging by communication with other groups, it was soon realised that it was not going to be a short process, with other parishes often taking five or so years to complete. Although progress has been quite slow, no-one had anticipated a Global Pandemic.

It is essential that a neighbourhood plan comes from the community whilst fitting into the jigsaw of the Local Plan and The Plymouth and South West Devon Joint Local Plan.

To ensure that the community has been involved in the process, a series of community engagement projects were mounted to get the opinions of the community.

## Community Engagement – Events Report

During Summer 2019, two community events were held in the village halls of Wembury and Down Thomas respectively and were designed to get your views by writing your comments on a chalkboard, post-it notes, maps and other materials. These responses could be considered as visual, anecdotal or analogue and are compiled here as a series of lists, ordered by subject.

This report simply lists what people had to say at the Community Events.

This is best read in conjunction with the POWNPlan\_Community-Engagement-report which is a report of the written community survey.

As a result, we have your views, gathered by different methods.

I hope you find these results interesting and enlightening.

**Doug Packer**  
**Chairman**  
**The Parish of Wembury Neighbourhood Plan 2021**

## Community Facilities

+1 Farm shop could be refurbished / extended to be more of a showcase / hub for community and visitors.

106 required on a new development? Renewable energy perhaps to power the café, art centre, marine centre?

A café open all year for the community.

A café, even a small one would be a focal point for the community as there is no village centre.

A dedicated post office counter that has its own staff.

A village centre café.

Add toilets

Address parking issues -recently inconsiderate parking in Heybrook Bay has now blocked the road.

Affordable home for local young people.

Affordable housing

Affordable housing

Affordable housing. No more single storey. No more second houses.

Agreed doctors exceptional

Alternative energy provision.

Bakery

Beach clean on regular basis

Better bus / More regular service.

Better bus service and doctors and dentist.

Better bus service to Down Thomas -> Heybrook.

Better provision for elderly and those with dementia.

Better public transport for Heybrook Bay please.

Better/ more consistent opening hours at beach café and parking subsidy for locals using it.

Bowling Club.

Bowls green in field off Brownhill Lane.

Bridle paths

Bungalows into which locals can afford to downsize.

Bus service has made a big difference. Can leave car at home. Sunday service might relieve car park pressure.

Bus service is not adequate.

Bus service to be maintained.

Bus service when times fit in with doctors etc in Plymstock.

Bus service with times to go out + return at lunchtime.

Bus service!

Buses!

Butchers. Better shop. Tea Room.

Café in Wembury village by dog groomers.

Café to promote local community get together

Café, family friendly. Toilets. Farm shop.

Can't think of anything

Care home and supported housing.
Care home for elderly
Chippy van
Coffee mornings in hall.
Community networks for active retired people.
Community run pub
Community wood. Surgery.
Completed pathway around the park.
Covered bus stops / shelters.
Cycle path / pavement from villages to Staddiscombe.
Cycle path + Bridleway.
Cycle path + Sunday buses.
Cycle path Wembury to Elburton / Staddiscombe.
Cycle path Wembury to Staddy.
Cycle path.
Cycle paths.
Cycle paths.
Day care facilities
Dentist
Dentist
Dentist +1
Dentist serving locals first.
Dentist. Chiropody. First responder scheme.
Dentist. Cycle path. Bus services.
Dentist? By surgery?
Ditto fast internet to work from home.
Doctors and bus services more frequent for shopping etc.
Dog bins on Knighton Hill
Dog poo bins
Dog poo bins Wembury Point to Heybrook Bay is now being constantly fouled.
Don't lose the loos on beach.
Drinking fountains in parks.
Encourage wider scope and opening times of the Marine Centre
Ensure we keep a post office.
Ensure we keep current facilities, pub, post office, doctors etc
Ensure we keep doctors, pharmacy, hairdressers, PO, shop, dog groomers etc.
Evening bus service - help the young + old, cut down traffic.
Exercise equipment around edge of playing field.
Exercise opportunities and pathway at playing field.
Exercise stations - play park Wembury
Farm shop
Farm shop - local produce
Farm shop café. Gallery / gift shop for local craft.
Farmers market like Walkhampton
Footpath along River between Clilters Wood & Wembury Wood.

<b>Footpath Heybrook Bay to Down Thomas.</b>
Great shop - please keep.
Hail and ride bus service to go around the parish & then Plymstock, Elburton, Staddiscombe.
Homes for local youngsters
Improve bus service to Down Thomas. Encourage tourist in Plymouth to take 49 bus to see the Hinter paying for it land (?)
Improve the inadequate bus service.
Improved link to Noss. Ferry ridiculous cost.
Increased bus service.
Keep bus service (Tick)
Keep park and pub in village hall.
Keep the bus
Keep the great doctors.
Keep the pub support village hall.
Larger doctors surgery so that people don't have to go to Plymstock
Larger doctors surgery.
Little arts centre for local artists + crafts people
Local produce in village / shops / PO.
Local produce in village shop. Here here!
Local produce or farm shop + bakery.
Long term funding plans in place for existing facilities.
Make a small tapas wine bar for sunsets.
<b>Mobile library</b>
<b>Mobile library / mobile banking</b>
Mobile: fish and chip van, pizza van. Once a week on different days.
<b>More bus service</b>
More buses.
<b>More buses.</b>
<b>More dog bins please</b>
More parking at the beach (reduce on roads nearby).
<b>More poo bins</b>
More regular buses it took me 2 hrs to get to Marsh Mills!
More regular buses please
<b>More rubbish / dog bins</b>
<b>More school places / buildings in local area **loose in envelope.</b>
More taxis
Motion activated lights on pathways in parks.
Need loos on beaches and play parks.
<b>No Sunday bus or late evenings - keep as village.</b>
<b>Normal bins on beach so dog bins can be used by dog owners...</b>
Nursery / childcare. Local shops farm / fresh / local
Park / field completed as per plan.
Parking along main roads through villages - makes it even more dangerous for pedestrians.

<b>Pathway between Heybrook Bay &amp; Down Thomas.</b>
Play park is dangerous! Why have some pieces of equipment not been removed?
Pollution clean ups once a week.
Post office to open more.
<b>Post office. Local produce. Bus frequency increased from HB / DT.</b>
Pub + village hall also essential for community (tick)
<b>Public loos +1</b>
Public loos near play park.
<b>Public toilets at the children's play area.</b>
Public toilets please at park.
Recycling centre
Recycling facilities for things not collected kerbside.
Regular community police presence / contact.
<b>Renewable energy.</b>
Retail - farm shop
School / nursery play area. Community centre. Toilets available.
Sheltered housing
Sheltered housing
Sheltered housing for elderly and care home.
Shopping facilities for elderly that do not drive.
<b>Smaller community bus to be used for doctor appointment - run every morning?</b>
<b>Somewhere for music / gigs</b>
<b>Sports and leisure centre.</b>
Sunday bus service.
<b>The doctors are excellent.</b>
Toilets at park. Agree ++
Toilets at parks.
Toilets in the park.
Very important to ensure school, doctors, post office and shop thrive. Ensures integrated community - all ages.
Village centre café.
<b>Village fete</b>
<b>Wembury Road. Proper repairs needed on this road as heavy vehicles and increased traffic are damaging the surface too quickly i.e. within weeks of repair.</b>
<b>Maybe community bus to Broadway from Heybrook bay 3 times a day</b>

## Employment

A Parish Farm shop for fresh food & local produce.

A shop that sells more / better produce. Local produce. High quality food.

Access?

Any building should be of a barn conversion style

bus

Assisted living apartments for senior citizens would provide employment and a means for seniors to remain in their village once they require support?

Bakery / deli in village. Part time opportunities for parents.

Bakery and fresh food shop

Better bus services.

Better road / transport links would be needed for this / any development.

Better technology.

Build a bigger school.

Café / deli

Café + public toilets (Tick Tick Tick)

Café at the park and toilets

Café deil

Café Deli Grocers (well stocked shop with local produce)

Café in centre of Wembury - meeting place

Café on field. Recreation ground.

Can stay in the area. Good relationship with school and home. Many people do not have grand parents or grand children nearby.

Care home and sheltered accommodation, jobs. (Tick Tick)

Care home of some kind for disabled and elderly.

Care home?

Careers for non graduates who want to stay in the area.

Caretaker for village hall

Chippy van

Coffee shop in the village

Coffee shop or tea rooms.

Coffee shop, pavilion and public toilets

Coffee shop. Deli. (Tick)

Community shop and restaurant selling local produce. Similar to Riverford. Definitely not large industrial units.

Develop the mushroom farm for more businesses

DIY / Pet shop.

Ensure communication and technology kept up to date e.g. high speed broadband. <- To allow easier home working

Farm shop and local produce for sale.

Farm shop local produce, meat, veg plants, garden equipment (Tick)

Farm shop, cake shops, café, toilets

Farm shop.

Farm shops

Fast internet to work from home.

Foot + cycle paths.
Foot + cycle paths.
Foot + cycle paths.
Fruit + veg
Get a café in the village.
Incinerator to remove Parish waste and turn into power for Parish.
family homes.
Keep the pub open!
Light industrial
Little arts centre / hub / workshop / shared spaces
Local buses? -Drivers + maintenance
Local employment
Local farm shop with coffee shop, local cakes + veg etc + toilet
Local food and deli in shop / PO
Local industry
Local produce available in shops / deli / bakery / butchers / vegetarian
More buses
More jobs at the beach
More managed woodland create jobs.
More parking
More: home working. Live work properly. Tourism.
Nursing Home
area.
Open for tourism in the area and local people working in them.
Part time work for parents
Part time work for retired people who still want to contribute something and feel useful.
Possibly a community store?
Post office to open more.
Promote the pub shop post office. Café in the community room?
Pub and beach café important. Local shop well equipped. Better TV / WiFi availability
Sundays.
Redevelop mushroom farm to up to date small business / rural units
Reinstate the walled garden at Wembury House into a kitchen garden to include a farm shop café employing local people.
Repair + service facilities - appliances, gardening etc
Ring + Ride service
Shop with home deliveries
Small business offices -professional
Small enterprises that service the community needs e.g. bakery, decent shop, decent café
Small units for local enterprise
Studio for artist? On site of old church hall. Yes
Sufficient employment for a village.
Superfast WiFi.
Support the pub and more fresh produce
Takeaway Indian

Takeaways Cafes Restaurants locally run.
Toilets in the park.
Transport facilities calmed! Speeding traffic etc.
Transport facilities improved.
Units for small business
Upgrade tech / IT to enable home working.
Upgrading WiFi and technology for people to work from home. Keeping pubs.
Walled garden (opposite Wembury House, to become rural arts centre
Woods to be managed better overgrown.
Yes craft huts at back of Wembury beach.
Youth hostel

## Employment

20mph limit in village.
20mph speed restriction throughout the village. Speed calming measures.
A lot more trees
A recycling centre to save trips to Ivybridge
All developments must have off road parking.
Any future building of houses must include parking
AONB to be realistic in its objections.
Apply en mass as a community for renewable energy schemes. No solar farms. Ugly.
Bee friendly wild flowers planted in public open spaces.
Better easier waste disposal nearer than Ivybridge
Better re-cycling.
Better speed control on road from DT to Heybrook.
Bio-diversity. Trees / planting. Safer walking environment
Bird & bat boxes
Bird / bat boxes
Bird hide
Butterfly and bee attracting plants.
Clearing up weeds from path edges, road gutters
Community fruit trees. More trees in general.
Community garden and initiatives like 'in Bloom'
Community orchard.
Create more wildlife conservation e.g. bee friendly plants / flowers.
Deterrant to stop dog poo bags and contents let along pathways.
Devon hedges need to be restored and upkept.
Display at start of village looks inviting & welcoming / well cared for
Do something about parking at beach in summer.
Dog mess big issue
Dog poo but local people need to take responsibility
Dog poo.
finer.
Dog waste bins.
Dog waste bins.
Dog waste on footpaths!
Drainage from roads on key flood points.
Eco friendly housing
Effective mobile network. 4G.
Encourage wild areas
Enforcement of no parking on hill..
Ensure excellent bathing / sea water quaility.
Existing character of village should be kept.
Expand wildlife corridors -coordinate ecological initiatives
Fields and hedgerows destroyed = destruction of habitats.
Fines for dog poo offenders.
Forest school children's activity

Good facilities at the beach. Maintenance preserve footpath on Cliff Road Brownhill Lane etc
Health + wellbeing. Open space. Public footpaths. Walking groups. Retain hedges. Value rural + agricultural animals, seasons owls / wildlife. Blackberry picking as a family. Here here!
Heavy traffic + parking by Blush narrow corner dangerous.
I hate speed bumps.
Improve drainage through village. More public rubbish bins.
Increase no. of rubbish / dog waste bins.
Keep cleaning the beaches
Keep parking on Knighton Hill for residents and visitors as this limits speeds.
Keep roads as they are + preserve hedges.
Keep spaces for wildlife e.g. ponds + streams
Keep the fields. Wild flowers for bees.
Keep verges hedgerows for wild flower and fauna
Kids park -wild planting - fruit trees -veg patches
Less speeding traffic due to beach & school.
Limit speed particularly on Knighton Hill.
Litter - beach - Traine Road.
Litter free
Litter is a problem.
Litter mostly collected by residents now - used to be collected once a week by refuge.
Litter problem in lanes in Wembury + excess speed through Hollacombe.
Look after the Devon hedges.
Look after the old phone box shop and near church.
Look into development of eco homes to reduce impact of providing homes for young people.
Losing Devon banks by inconsiderate builders.
Low - noise tarmac on road surfaces.
Maintain / preserve Devon hedges for posterity
Maintain Devon bank hedges i.e. Brownhill Lane, & farm perimeters
Maintain facilities / toilets at the beach
Make sure developments have enough off road parking.
More bins and recycling facilities.
More bird / bat boxes put up
More bridle paths.
More dog bins.
More dog poo bins
More dog poo bins so less on roads & paths
More dog poo bins. Ditto.
More houses.
More of forest school type activities for the future for biodiversity, preserving wildlife.
More off road parking
More poo bins
More recycling facilities + Traffic calming
More reliable solar panel schemes.
More say in what National Trust do. I object to destruction of bushes - path to Heyrbook Bay.
More tree planting

More trees
More trees in roads.
More Trees Trees Trees
More trees!
More wildlife areas.
New houses to be eco. Using brown water for flushing toilets. Roof tiles to be voltaic to generate power to the house.
New housing to have insulation, renewable energy built in
No big lorries.
No building near the streams.
No development in AONB
No development on Traine Farm and area.
No development.
No seasonal dogs on beach. Bovisand.
No to wild flower verges as they need special care + always end up weeds - look at Plymouth.
Number of dog / rubbish bins.
Off road parking essential as bus service not regular enough.
Open spaces are essential for everybody's mental wellbeing.
Opportunity to have highly sustainable houses with innovative green technology
Park and ride in summer.
Plant flowers in the grass verge by village hall.
Plant more tree 'corridors'
Planting of bulbs or shrubs on entrance to village.
Please look after the trees already planted on the recreation ground.
Please preserve hedges. Enough are being removed for Sherford.
Potentially dangerous and overgrown ->
Preservation of wildlife habitat
Preserve and maintain Devon banks, trees and nature wild flowers.
Preserve hedges + little roads.
Prevent SWW overspill into the stream.
Protect AONB
Protect AONB status.
Protect trees. Increase + protect wildlife. Preserve hedges.
Protect water quality
Recycling
Recycling centre
Recycling facility. Bottles paper etc.
Reinstate hedges around Langdon View!!
Renewable energy, Re-use / recycle scheme free-cycle
Respect AONB.
Restrict parking in Southland Park Road + Cliff Road
Retain hedge
Retain hedges.
Retain old walls & Devon banks.
Road from Heybrook Bay to Down Thomas - dangerous - we used to walk by edge of field.

Roads flood regularly in heavy rain = improve drainage
Roads improved & repaired. Personally - Kerbs need tidying & weeds removing.
Safe roads.
Safeguard Churchwood Valley and area wes of Wembury. No (or only minimal) development.
Safer path (there isn't one) between Knighton & Hollacombe.
Safer roads.
Sewage system needs enlarging.
Sewerage
Small pocket developmentof houses.
Speed / traffic calming
Speed cameras
Speed cameras! On B/4 entering village thro to Renney Rd
Speed control measures through D/T village.
Speed control on roads.
Speed limit inforced.
Speeding on Knighton Hill
Stop destroying countryside.
Toilets
Too many cars on village road moving & parking
Traffic calming in village.
Traffic calming - the roads are busier.
Traffic calming - trim hedges back (Tick)
Traffic control speeding a problem
Traffic.
Tree planting. To provide shelter belts for village.
Trees, wild flowers, wildlife corridors
Use of glyphosphate weed killers on residential + farm land?
Use the old phone boxes as hubs for WiFi and hotspots.
Weeds in every road verge.
Wembury doesn't look loved it looks neglected. Wembury in Bloom?
Wembury in bloom competition to brighten up roads.
Wild flower verges look after Devon hedges.
Wildlife verges.
Willow farm with artisan crafts

## Future Development

Affordable housing needed for the next generation of young people.

Along the coast

Already too much infill development, keep it minimal.

ANOB

Any builds for elderly must be for locals, not a retirement village for Londoners!

Any new homes must be of practical size - not the bare minimum.

AONB greenfields no more building.

AONB Heybrook Bay coastal area should be preserved.

AONB No more houses.

AONB once these fields are built on they are gone forever along with wildlife.

AONB. Coastal areas. Protected areas to stop losing our countryside

Avoid any building that links to Plymouth boundary. Need to be an entity.

Avoid areas of natural plant / wildlife.

Avoid Barry Stevens farm. He should not benefit.

Avoid behind Barton Brake.

Avoid building on farm.

recreation.

Avoid building on the skyline and coast.

Avoid development viewable by sea.

Avoid Ford Road field near the old school.

Avoid further development behind Barton Brake

Avoid Hollacombe, once started thin edge of the wedge to Plymouth

Avoid large developments, infill only, keep village feel.

Avoid linking Wembury / Hollacombe with Staddiscombe

Barton Brake badly built. No more like this.

Brownfield not greenfields.

Brownfield not greenfields.

Brownfield.

Building on AONB should be kept to a minimum.

Coastal area

Coastal Protection Area. Bird nesting sites. AONB.

Contain within existing area only.

village only.

Do not build in field on Ford Road left side going to valley.

Do not build on field near Barton Brake

Do not have development in large scale in Wembury

Do not ruin the last area of beauty! Ford Road field on left.

Don't build on fields / paths from behind Brownhill Lane down to church.

Down Thomas infill. Staddiscombe ribbon development.

East Wembury to Yealm keep natural.

Elderly people in family homes have nowhere to go in Wembury if they want to downsize. Need for housing for this category and will free up homes.

Existing farm land.

Extra protection for areas facing the sea and visible from the sea.

Farm land and land for horses should not be developed.
Field should remain.
For those who have grown up in the village and want to stay.
Ford Road is too narrow with beautiful hedges and trees it should not be developed.
Good quality houses.
Green field sites - infill.
Green field sites near sea and coastal paths.
Greenfield sites
Greenfields.
Housing which is truly affordable for young families.
Improve service facilities i.e. sewage.
In the centre of Down Thomas
In Wembury too much already.
Infill housing can be absorbed more easily. Large developments change too dramatically plus strains on existing infrastructure.
Infill only
Infill only.
Infill only.
Infill small development.
Infill with small developments.
Infrastructure before development.
Infrastructure improvements required.
Keep away from sea view line.
Keep farmland close to town.
Keep fields. Keep farmland. Discourage infill in gardens/
Keep green spaces and farm land.
Keep green spaces and village feel.
Keep hedges, keep Devon banks, keep routes for wildlife.
Keep our green spaces.
Keep the green spaces and farm land.
Keep village feel. Small development only.
Leave Devon hedges alone.
Maintain gap between village and Staddiscombe.
Maintain gap between village and Staddiscombe. Seconded
Maintain individuality of Gabber, DT, HB, Bovisand, Hollacombe etc.
Maintain the countryside gaps. Very important for mental wellbeing.
Maintain village feel.
Major developments should not be in AONB.
More European cooperation. Less insular!
No building around Traine Farm.
No building between Ford Road and existing housing.
No building on coast or skyline.
No building on coastline.
No building on costal AONB land.
No development in AONB.

No development on field by B Brake.
No holiday homes.
No holiday homes. Houses for locals.
No large developments. Infill only.
No more building on green fields.
No more building on or just off main roads.
No more in village centre - it will be a small town with no facilities.
No motor bikes on Bovisand Lane ->
No motor vehicles on Bovisand Lane! Agreed.
No new houses between Barton Brake and Wembury House. Keep open for walkers and dogs.
No ribbon development between hamlets.
No second home owners.
No second home owners.
No second homes.
No to Ford Road
Not along coast or between villages.
Not at main village entrance.
Not below Odd Wheel.
Not in front of Wembury House.
Not on coastal path.
Not on or next to coastal paths. AONB not outside village boundaries.
Not on Traine Farm.
Nothing on Ford Road.
On farm land and playing fields
On top of hills houses which can be seen. Ensure conservation.
Only add to existing groups of houses. Small pockets!
Piecemeal development only.
Please maintain green fields in Hollacombe
Plenty of land on NW, N and NE of Parish.
Preserve the valley walk as a peaceful place.
Preserve view from the sea ->
Protect against second homes to protect school and community.
Protect existing sea views at Heybrook Bay. No development on WEST side of Renney Road.
Protect existing sea views in Heybrook Bay
Protect the open sea views between the left hand side houses at Heybrook Bay.
Protect Traine farm area.
Resident self builds / family housing.
Residential builds for elderly.
Ribbon development. Fill in only. Keep hedges, trees and farmland.
Road to Down Thomas -> Heybrook Bay cannot take any more traffic.
Second house - extra tax.
Second maintaining the gap to help the village. Seconded again
Self build developments. Small volume. Very large.
Self build interesting houses with good design not boxes, small developments.
Sewerage cannot cope now with housing, more housing would cause problem.

Single development plots - make available in Wembury!
Small affordable developments.
Small developments for individuals and not big companies.
Small developments of environmentally friendly houses needed. Not behind Barton Brake or Knighton. Keep green fields.
Small developments of mixed housing.
Small developments only. Maintain green space. Avoid AONB.
Small developments. Infill only. Do not join villages / hamlets.
Small number of fill in.
Small only.
Smaller affordable family homes.
Smaller buses and more frequent - reduce traffic.
Smaller developments by small contractors.
Smaller individual developments rather than big ones.
Stick to brownfield sites not greenfield sites.
Transport links
Village outskirts. No more in centre or towards beach.
done.
Wembury
Wembury has poor transport links - both in and out of the village and into Plymouth is congested. Staddiscombe is the preferred option.
What about environment. Bird disruption and animals.
What to avoid: poor quality and naff looking housing.
Wildlife diverse areas. Ancient woodland and farmland - large areas.
Increase no of dog / rubbish bins

## Sport and Recreation

Bridle paths (NB: PostIt next to Knapps Woods)

A boule area. Much ore easily maintained than Bowls.

Access to water @ Bovisand or similar forr small boats + kayaks.

Add a sports centre.

Again cycle paths

Agree. Local swimming pool would be good

Area to store kayaks on beach at Bovi

Beach cleaning

Better cycle access to the village.

Bicycle racks or lock-up points in a few locations.

Boule area utilised by all ages.

Bowles outside pitch

Bridle ways.

Changing facilities for sports teams.

Country fayres. Garden festivals, Gymkana

Cricket pitch

Current facilities very good for village - completion of field plan will improve.

Cycle / footpath out of village would improve sport & transport in one go.

village.

Cycle path out of Wembury

Cycle path to Plymouth.

Cycle path to Staddiscombe from Knighton.

Cycle paths.

Cycle track + footpath between Wembury + Staddiscombe.

Cycle ways.

Dog only exercise area.

Dogs are a big part of Wembury life.

Enough sports thanks

Facilities available outside work hours. No good for working families.

Finish path around field. Small Pavillion café. Early evening fish and chips.

Fitness classes / gym sports facilities

Flood lit sports ground inc tennis courts

Footpath from Wembury to Coop at Staddiscombe.

Footpaths keep in good order - trim back.

Golf pitch n putt

Hopefully a pavilion would encouage better use of tennis courts.

How would all these facilities be paid for?

Improve cycle access in + out of Wembury village.

Improve the road into Wembury.

Increase bridle path - through woodland.

Leisure Centre due to be built in Sherford.

Lights for tennis courts and MUGA.

Local facilities (e.g. play area) are there for local only as ACE schools from Plymouth use them - are they paying up keep?

Local Recycling More cycle paths Make use of Sports field behind VH Wembury
Local recycling schemes compost plastic paper card
More cycle paths around village.
More cycle paths.
More cycle paths.
More dedicated cycle / leisure pathway away from main roads.
More dog bins.
More dog bins.
More enforcement to clear up dog poo on field + poo bag dispenser - no excuse then!
More paths for walking
Motion activated lights in park on the pathway, therefore used during shorter daylight.
Protect this field.
No more cycle paths
No more than already planned.
No sports centre needed - but smaller facilities - bowling
Outdoor Bowls Club
Outdoor exercise m/cs in playing field
Outdoor lights are very intrusive - lived in an area where introduced and moved!
Outside gym
Pathway linking Staddy
Pavilion Teas / Coffee snacks changing facilities
Pitch n putt with sea view
Pool & Leisure facility A S P Sherford
Possible Bowling Green
Refresh the tennis courts
Regular beach cleaning events.
Retain the Beach toilets
Safe cycle tracks with - in, and out of, the area.
Safe cycles path out of village.
Safe walking route from Wembury to Staddiscombe
Safer cycle track for commuting in & out of Wembury
Safer for pedestrians!
School outside pool being improved & open to villagers to use.
School swimming pool available in holidays / weekends.
Seats by play area.
Senior Table Tennis Club could be easily delivered.
Shower re-instated at Beach toilet block
Signage highlighting use of roads by walkers, cyclists. Speed limits.
Small gym
Sports centre for classes / gym facilities
Sports centre swimming pool (talked of years ago - went to Sherford??)
Sports centre. Uneconomic. Agree!
Sports facilities + toilets / changing rooms
Sports facilities are quite good but the problem is people to supervise and run them.
Sports fields

<b>Sports Pavilion</b>
<b>Summer watersports centre (sailing club)</b>
<b>Support Marine Centre</b>
<b>Swimming facilities. Shower at the back.</b>
<b>Swimming outdoor Splash pad Beach facilities.</b>
<b>Swimming pool for all ages</b>
<b>Swimming pool needed.</b>
<b>Tennis Court Boules Pitch Toilets available Coffee Shop</b>
<b>Tennis court flood lights</b>
<b>Tennis Courts. Netball + Café.</b>
<b>Toilets near field</b>
<b>Use of school swimming pool out of school hours.</b>
<b>We are ok for sports + rec.</b>
<b>Jetty for boats to access</b>
<b>We are already spoilt for this. Walking paths.</b>
<b>We are OK</b>
<b>No more</b>
